St. Clair County Teachers.

Every teacher in the county may justly claim the benefits of the coming Association, June 8th. Teachers need recreation; it is a mistake to spend too many hours out of the twenty-four on school work, better intensify, work harder for fewer hours and then put it aside and have a change of thought and employment. This Association gives one opportunity.

A very difficult problem is to keep teachers alive in their calling. If the same subjects are taught year after year by a pedagogic, isolated from the rest of the world, he may die long before he is ready for burial. The creed says nothing about a resurrection of the dead in the world of pedagogy. The only safe thing is to keep from dying before one is ready to quit the school-room. The teacher needs to utilize every opportunity to improve himself and add to his professional zeal, he should help to create a demand in his community for the utterances of men of thought upon educational problems. A teacher who derives no benefit from a teachers' meeting or association is nearing the "dead line", and one who fails to interest himself in and profit by these means of growth is standing in the way of his own highest success. It pays to attend the annual institute, the summer school, the county and state associations; the teacher was right who said, "I can't afford to miss it."

The late Leland Stanford once said there was a difference between spending money on oneself and investing money in oneself. The teacher who intends to succeed in his business will find it a good investment to spend money in increasing his skill and broadening his education. His power to teach is his capital and one's income is usually proportionate to the amount of his investment.

Let June 8th record some increase in our invested capital.

HOWARD L. HOLMES,
Pres. Teachers' Association.

Every farmer knows the folly of robbing his lands of virtue and strength without restoring anything, but the same man may rob his nerve system of strength and vitality for years and then wonder why disease has fastened on him. To all such unthinking spendthrifts of nerve force Dr. Wheeler's Nerve Vitalizer comes as a friend to build up and revitalize the impoverished nerves and restore health. Abundant nerve force insures perfect physical and mental health and Dr. Wheeler's Nerve Vitalizer strengthens and makes nerve force. Sold by Grant Holden, Yale.

Curtis & Ogawa's combined railroad show and Imperial Japanese Circus will exhibit in Lapeer next Monday afternoon and evening. The show is well spoken of by the press as a clean and interesting exposition of Japanese perfection in the ring. The program consists of fine trapeze work, rope walking, tumbling, contortion, juggling and many other interesting features. It is peculiarly Japanese throughout and for that reason will certainly be unique. Such an exhibition is something new for Lapeer and will doubtless receive its share of patronage.—Lapeer Clarion.

The above item will no doubt be of interest to our readers, who one and all became acquainted with Mr. Curtis during his stop in this town two years ago. This is evidently a new departure for the doctor, although he always did give good shows.—Marlette Leader.

DON'T STOP TOBACCO.

How to Cure Yourself while Using It.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin Physician who has used it in his private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want, while taking Baco-Curo, it will notify you when to stop. We give a written guarantee to permanently cure any case with three boxes, or refund the money with 10 per cent interest. Baco-Curo is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke. Sold by all druggists, with our iron-clad guarantee, at \$1.00 per box, three boxes, (thirty days treatment), \$2.50, or send direct upon receipt of price. A Multitude of Counsel.

The opinion is rapidly gaining ground that a remedy which has proved efficient in the hands of the skillful practitioner, a remedy prepared by him as the result of years of observation and experience, for the treatment of disease in individual cases, may it placed by the same practitioner within the reach of the reading public, be instrumental in curing many who otherwise have remained ignorant of it.

"True," you say, "but there are so many remedies, how are we to choose?" Let us suggest one remedy for your investigation. THE COMPOUND OXYGEN TREATMENT OF

It does the work. Mr. Chas. Gocha, Gaylord, Michigan, says: "I am asked, 'Did Brant's Balsam do you any good?' Well I should say it did! La Grippe left me with a serious cough and lung trouble, for which I took about all the cough remedies I had ever heard of, without benefit. Mr. Russell, our druggist, suggested Brant's Balsam. As it was a large bottle for 25 cents, I took one. It helped me; I used six bottles and was completely cured. (Cost \$1.50). Can heartily recommend it; it's a great medicine." 25 and 50c bottles at Grant Holden's drug store, Yale.
